This Bible study promises to be inspiring and meaningful—an event you definitely won't want to miss.

When this Feast is being fulfilled in the whole earth by the rulership of Jesus Christ, mankind will live in a world dramatically different than what we have known. What will it be like? What can we know? What can we reasonably speculate? God has given us a lot of understanding of that world, and the freedom to think big about it. Let's do that tonight!
