Greetings,

The Feast of Tabernacles will be at the Jewel Runaway Bay Beach and Golf Resort in Runaway Bay, Jamaica and plans are progressing at an acceptable pace. Based on the information I have received so far, we should have in the region of 150-170 persons in attendance.

#### **ARRIVAL & DEPARTURE INFORMATION**

By contractual arrangement with the hotel, Jamaica Tours will be responsible for ground transfers from the Montego Bay International Airport to the hotel and return. In order to ensure as little delay as possible in this exercise, please send your flight arrival and departure information to **Newton Wholas** by email at [newton@jamaicatoursltd.com](mailto:newton@jamaicatoursltd.com), or by telephone at **1-876-371-2095**.

**Please take note:** When you arrive at Montego Bay Airport, look for the **Jamaica Tours Desk** or **Jewel Resorts** just outside the customs hall. A staff member will assist you to your bus that will take you to the Jewel Runaway Bay Beach and Golf Resort. The trip will take approximately one hour.

#### **FESTIVAL SERVICES**

All services will be held in the Sunstone meeting hall on the upper floor of the building that houses the hotel's reservation desk. The room is air conditioned, so regular Sabbath attire as worn in North American congregations is appropriate.

The inaugural service will begin at 7 p.m. on Sunday, Oct. 13. There will be one service on the first holy day, Monday, Oct. 14, at 2 p.m., and one service on the regular Sabbath, also at 2 p.m. On the Last Great Day, Monday, Oct. 21, we will have two services at 10 a.m. and 2:30 p.m.

Those of you who are interested in being members of the Festival choir, please contact Madge Thompson at [yvonnemt22@hotmail.com](mailto:yvonnemt22@hotmail.com).

### GREEN GROTTA CAVES AND ATTRACTIONS

**Sunday, Oct. 20, at 1 p.m.** This is something different: a journey into the underground or the nostalgia of history. You will want to experience the Green Grotto Caves! Ideally located on Jamaica's scenic North Coast, Green Grotto Caves are linked to the island's history and is a major natural attraction for both local visitors and tourists who crave adventure.

Previously known as the Runaway, Dairy, Rum, Hopewell and Dry Harbour Caves, Green Grotto Caves are said to have provided shelter for Jamaica's first inhabitants, the Taino Indians. The Caves are located just off the main North Coast road some 3.2 km east of Discovery Bay or 4 km west of Runaway Bay and just over 3 km from the spot where Christopher Columbus landed in 1494. The caves are said to have been a haven for runaway slaves in the 18th century, and were sought after as a hideout by the Spanish during the takeover of the island by the English in 1655. Between the two World Wars, the caves were used by smugglers running arms to Cuba. In more recent times, sections of the caves were used as a rum storehouse.

A tour of the Green Grotto Caves will take you on an out-of-this-world journey into the heart of Jamaica's "inner world." In just under an hour, your guide will take you through a maze of sturdy, majestic stalactites and stalagmites and other exquisite dripstone formations.

Continue through the interconnected passageways and chambers, some 37 meters down to the cave's innermost cavern, where you will come upon the grotto with water as translucent as nothing you have seen before.

Here are the entrance fees: US \$20 for adults 13 years and older; US \$10 for children aged 4-12. Those of you who are interested, please inform Mr. Fisher as soon as possible. Depending on the number, a group rate can be arranged. There will be a cost for transportation both ways. As soon as we have that cost, you will be notified.

*Brethren arriving at the Resort before Sabbath, Oct. 12, please note that services will be held in the Garnet Room from 12-2 p.m. on that date.*

I hope you have a spiritually profitable and enjoyable Feast of Tabernacles.

Warm regards,

Herchial "Paul" Fisher
