This San Diego Golf Course boasts mature stands of palm, oak and eucalyptus trees [that] frame undulating fairways and manicured greens, with numerous wetland areas, nearly 100 bunkers and an array of picturesque water features—including four lakes and the San Diego River—creating both strategic diversity and a visually stunning backdrop for golf.

On Youth Day, the children get to pick a stuffed animal to take home with them. Please drop off donated stuffed animals at the business office located in the Foyer of the meeting space.
